Dear Sponsor,

We would like to offer your organization an opportunity to advertise within the athletic program at Wardlaw Academy. Wardlaw Booster Club is selling subscriptions for advertisement through a 3-ft x 6-ft vinyl banner and/or football program for the 2013/2014 school year. These banners and football programs will promote your logo or message of advertisement. Also, you have the option of purchasing athletic passes at this time. This allows you entrance into all regular season games and designated parking(for football, baseball, and softball games). We would like your sponsorship in order to help fund Wardlaw Athletic expenditures. Please, return as soon as possible. Thanks for your support!
